## MEMORANDUM

Dear Jim & Vickie,

Our hot weather is back again, and has been in the low 90's with high humidity. Right now I'm out on the sun porch, which is alright since there is a breeze. I'll be so glad when it really cools down, and it will be nicer to run.

I've been running every day right on schedule now that Kaine is back in school. I've decided to push myself more and am really making progress. I just feel so good afterwards.

Your sight-seeing with Carolyn sounded like so much fun. She was over yesterday to

play tennis and told me more about it. She sure enjoyed her trip, and I think it was real good for her.

Mike's election went really well Tues. (Primary). He had only a token opposition within the party, but his vote was over three what his Republican opponent's was, so this indicates he should have a good chance of beating him in the General. ~~The~~ His opponent ran against Mike as a spokesman for the "moral majority" which is a right-wing group that are against Abortion, ERA, etc. and for Prayer in School. They attacked Mike for being against the "Traditional family values" whatever they are! Mike, however, attacked them right back.

Have you decided yet when you are coming back for a visit? Whenever you do, it will be

fun to see you.  
It would sure be nice for  
you to be here over Christmas,  
if that works out for you. We'll  
be in the house probably thru  
most of January, so you'd have  
a nice place to stay.

I just realized Jim is  
probably in Italy now. Carolyn  
said you might go down there  
to meet him, Vickie, when he  
runs in a race. That sounds  
so exciting.

Well, I guess I better start  
dinner. On Jim's last letter  
he gave a return address of  
FPO N.Y. Is that the address  
we should use now?

Love,

Mary
